

Annual Health Check Questionnaire

Introduction

An Annual Health Check is a yearly check up done by a doctor or nurse.

They are usually done at your doctor's surgery. Sometimes they are done at your home.

Having an Annual Health Check can help you to find out if you have any health problems.

NHS Dorset would like to hear what you think about your last Annual Health Check.

This will help us to make things better and share good experiences. We want all Annual Health Checks to be good.

This questionnaire is for people aged 14 years and older who have had an Annual Health Check.

You can ask an adult, carer or supporter to help you fill in this questionnaire.
